Contributions or gifts to Missouri ACTE are not tax deductible as charitable contributions. Dues payments are generally deductible by members as ordinary and necessary business expense. However, due to the enacted Budget Revenue Reconciliation Act of 1993, any dues revenue utilized by a professional or trade association for lobbying purposes cannot be deducted by the member who paid the dues. In accordance with the Act, the Missouri ACTE is notifying its membership that it estimates that 12% of 2011 Missouri ACTE dues paid by a member will not be deductible as ordinary business expense for federal tax purposes.
