*Jefferson City, MO 64501*

Dear *Senator/Representative* \_\_\_\_\_

*On Tuesday, February 4, 2003*, the Missouri Association for Career and Technical Education will be hosting our annual Legislative Day. I would like to invite you and your staff to join the culinary arts students and staff of Waynesville Technical Academy as well as career and vocational-technical administrators and staff from around the state for a delicious brunch *at 8:30 a.m.* in the Rotunda of the Capitol.

After the brunch, I would like to stop by your office and speak with you about the continued funding of career and vocational-technical education training.

My students have received up-to-date training and gained employment in the *Administrative Office Systems field made possible through important funding*. Your continued support is vital to our students' future success.

I look forward to seeing you on Tuesday, February 4. If I might be of assistance prior to that time, please let me know.

Sincerely

*Sharon G. Kosek*
