Dear *Senator/Representative* \_\_\_\_\_

Thank your for taking your valuable time on *February 4, 2003*, in speaking with me about important issues facing career and vocational-technical education. Your continuing support is appreciated.

*As I noted during our discussion, Personal Finance is a much-needed subject by our secondary school students. Please continue to support this issue in House Bill 1973.*

If was a pleasure to greet you in the Rotunda for the Missouri Association for Career and Technical Education annual Legislative Day brunch. The Waynesville Academy. Culinary Arts students were pleased to provide a delicious meal. We look forward to the event again next year.

My best wishes to you in your continued support of career and vocational-technical education training for our students.

Sincerely
