Dear *Senator Johnson*

A very important Senate vote will be taken tomorrow morning, March 3, on Senate Bill 222 regarding the requirement of Personal Finance education in Missouri secondary schools.

I very much support Personal Finance being taught in our secondary schools. It is a subject that students need to survive and become economically independent citizens who make wise decisions.

Please vote for Senate Bill 222.

Please let me know if I might be of further assistance.

Keep up the good work!
