Dear Senator/Representative \_\_\_\_\_

*Support for Personal Finance Education – HB1973*

My name is *Sharon Kosek*, and I am the *Administrative Office Systems instructor at Hillyard Technical Center in St. Joseph, Missouri*. I have had the pleasure of teaching outstanding technical students for over *twenty* years.

I am writing regarding my positive support for the importance of *Personal Finance education in our secondary schools*. *As a business educator, I have seen the economic and practical skills that this vital subject area provides for students, as they become taxpaying productive citizens of our communities*.

I would be happy to serve on a committee or provide testimony about the need for *Personal Finance* as a part of our students' curriculum. Please let me know if I might be of service.

My best wishes to you.

Sincerely

*Sharon G. Kosek*
